

We have been daily listeners and financial supporters of K-Love Radio for over 7 years. Before K-Love started broadcasting in our area, there were a couple Christian radio stations that we listened to. However, none even slightly compared to K-Love. K-Love is unique. It has made our lives (as well as the lives of countless others) so much better. It provides hope, encouragement (something we all can use in today's world!), it uplifts people, provides news about what's going on around the world, and encourages people to become better. Kids can listen and not hear something harmful to them. IT IS FUN! K-Love has become FAMILY to us. It connects us spiritually with listeners across the world where K-Love is heard. If K-Love were to be displaced by an LPFM broadcaster providing other programming, it would be a great loss to us and the many listeners (and financial supporters) in our town and across Oregon where K-Love is broadcast. While many in the world promote hate toward others which encourages crime, K-Love does just the opposite -- it encourages love and respect toward others. K-Love blesses the people in my town. It was there for us with encouragement when we went through difficult times (sickness, deaths). It does great things beyond description. K-Love means the world to us. Please don't allow it to be taken off the air. Thank you. Sincerely, Phil and Carrie Miller.
